15 COUNCIL ASSEMBLED**

17 **Section 1.** **Legislative Intent and Purpose.** This Act is intended to support the Pohnpei Student Organization in their participation at the 4th Pacific Countries Dance Festival in Iwaki City, Japan from October 2, 2015 to October 5, 2015, for the cost of two hundred dollars (\$200.00). The amount will be used to purchase a total of 8 uniforms (baseball tee shirts) for the 8 chosen members at twenty-five dollars (\$25.00) each.

22 The purpose of the dance festival is to promote global understanding and exchange between Japan and its neighboring countries in the Pacific. The FSM Consulates Office has invited the Pohnpei Student Organization because they show interest when it comes to student activities as can be proven by being the most active Student Organization for both Fall 2014 and Spring 2015 semesters. By attending this event, they not only promote the University of Guam to other countries, but it builds relationships, offers opportunities to these members, and will also encourage others to become active to receive similar incentives and opportunities.

29 **Section 2.** **Approval.** Upon passing of this Act, the 54th Student Government Association approves the sum of two hundred dollars (\$200.00) only and shall not exceed this said amount. Said amount shall come out of the SGA Student Activities or Operations account.

11 **AN ACT TO APPROVE MONIES TO SUPPORT THE RESIDENCE HALL GOVERNING
12 COUNCIL AROUND THE ISLAND EVENT ON SEPTEMBER 27, 2015.**

14 ***BE IT HEREBY ENACTED BY THE FIFTY-FOURTH STUDENT GOVERNMENT ASSOCIATION IN
15 COUNCIL ASSEMBLED***

17 **Section 1.** Legislative Intent and Purpose. This Act is intended to support the Residence Hall Governing Council (RHGC) Around the Island Event on September 27, 2015 by allocating monies to cover half of event's overall expenditure for the cost of five hundred seventy-five dollars (\$575.00). The amount will be allocated for the renting of bus transportation from King Bus Tours and refreshments from I'Natibu Catering. The purpose of this event is to maintain and enhance the overall quality of dormitory life in the UOG Residence Halls. This event will give the opportunity for many residents, especially those who are new on Guam, to explore and appreciate the beauty of our island. This event aims to cater and alleviate the lack of transportation of many of the residents, thus engaging them in meaningful social activities while living in the dorms. Throughout the years, RHGC has worked tremendously in many aspects of dormitory life such as advocating concerns and getting input from the residents to improve dorm conditions. RHGC's drive and commitment showed when it placed third out of the 10 most active student organizations last Academic Year 2014-2015. The organization recognizes the excellent efforts of the 54th SGA in assisting various student organizations and in continuing its mission of putting students first.

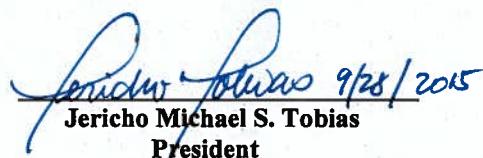

29 **Section 2.** Approval. Upon passing of this Act, the 54th Student Government Association approves the sum of five hundred seventy-five dollars (\$575.00) only and shall not exceed this said amount. Said amount shall come out of SGA Activities or Operations account.

10 **AN ACT TO APPROVE MONIES TO FUND RECOGNIZED STUDENT PUBLICATIONS.**

11 **BE IT HEREBY ENACTED BY THE FIFTY-FOURTH STUDENT GOVERNMENT ASSOCIATION IN**
12 **COUNCIL ASSEMBLED**

13 **Section 1,** Legislative Intent and Purpose. This act is intended to satisfy the constitutional requirements of the 54th Student Government Association.

14 As a liberal arts institution, the 54th Student Government Association wants to support the student press and the other student publications that promote the freedom of speech in a responsible and ethical way.

15 The purpose of funding student publications will help inculcate in students important reading habits that will continue after graduation. Its forum of editorials, letters and columns encourages the resolving issues by reasoned debate. It also provides an outlet for student writing that primarily emphasizes services rather than self-expression.

16 The publication(s) will be made available to all, including the University community and the island public. It shall convey an image of the University to the community. It shall help silence rumors that often arise in the absence of information. It can provide feedback on school rules and regulations that affect students while maintaining order by reporting violations of the student handbook. The student press and publications help keep the student governance in check, which is essential for the democratic process. Most importantly, it facilitates the educational process through reporting on academic subjects and courses.

17 Publications can include, but are not limited to, Triton's Call, KUOG, and other student organizations newsletters that aid students and stimulate participation and/or attendance.

18 **Section 2,** Approval. Upon passing of this Act, the 54th Student Government Association approves the sum of ten thousand dollars only (\$10,000.00) and shall not exceed this said amount. Said amount shall come out of SGA Student Operations account for the purchase of, but not limited to supplies, printing, stipends, and production necessary for executing the activities.

16
17
18 **Section 1. Legislative Intent and Purpose.** This act is intended to support the delegation of student leaders from the 54th Student Government
19 Association to attend the National Conference on Student Leadership Fall 2015. The NCSL Fall 2015 will be held in Washington, D.C. from
20 November 19 – 22, 2015. Participation in the NCSL Fall 2015 will help the 54th SGA promote the University of Guam to other universities from
21 around the country. Participation in the Conference will also be beneficial for UOG in a number of ways:

- 22 • Upon completion, those that take part in the conference will become certified student leaders;
23 • It will help in the 54th SGA's efforts in establishing a mentoring program with the Student Counseling Services from the Enrollment
24 Management and Student Success to improve the first-year experience, which will hopefully increase the retention rate by providing
25 the program with a number of certified leaders and mentors;
26 • The knowledge gained from the variety of workshops available will enhance our fall and spring assemblies, which are constitutional
27 requirements, by adding breakout sessions based on the workshops from the conference; and finally,
28 • It will help provide the 54th SGA with the opportunity to host more events centered around training the general student assembly to
29 become more effective student leaders and mentors and effectively serve the UOG community as a whole.

30
31 The 54th Student Government Association will offset part of the cost of travel through fundraising efforts in sending delegates to the
32 conference. The delegates to be sent are chosen by a panel based on the following criteria: contributions to the 54th SGA; leadership experience
33 outside the 54th SGA; major, grade level, and grade point average; a short essay that outlines how the conference will be beneficial to them as
34 student leaders and professionals in their field of study. Participants in the NCSL 2015: Senator John Ronald Darag, Senator Elvin De Leon,
35 Senator Austin Ray Terlaje, and Senator Mitchell Johnson, will contribute as mentors for the mentoring pilot program held in conjunction with
36 the Ms. Arline Leon Guerrero from Student Counseling Services and Mr. Yoichi Rengiil from TRIO, as well as host workshops in any event
37 being held by the 54th SGA including, but not limited to, the Fall 2015 and Spring 2016 Assemblies.

38
39 **Section 2. Approval.** Upon passing of this Act, the 54th Student Government Association approves the sum of twenty thousand dollars
40 (\$20,000.00) only and shall not exceed this said amount. Said amount shall come out of the SGA Operations account.

41
